

Praise

Willie Mae is not just a Cake Designer, she's an amazing artist. I wanted a cake for my son's Baptism that was fun and delicious. I really couldn't figure out what I wanted, but I knew I didn't want a plain sheet cake. She came over with her portfolio and ideas. We talked about what I liked and didn't. She was very patient with me, and answered all my questions. I was so impressed with her and her work, I decided to let her surprise me with the final details. She designed the perfect cake! It looked and tasted incredible. People are still talking about it months after the party. I can't wait to see what she comes up with for my son's 1st birthday.

We could tell from our first conversation about what we envisioned for our wedding cake that Willie Mae was going to do whatever it took to make sure we got exactly what we wanted. There were no limitations on what she was willing to try, and you could tell she was eager to take on any challenge we could possibly present to her.

Her cake went above and beyond our expectations. Almost every single guest at our wedding approached us personally to ask who made the cake and commented on how gorgeous it was (not to mention all the praise the cake received afterwards through photographs!). You could tell that every inch of the cake was carefully crafted and that perfection is the only suitable outcome for Willie Mae. Of course, the cake tasted simply divine and was exactly what we asked for. Her passion for cake-making shined through our cake. Our wedding simply would not have been the same without her involvement.

The cake was an enormous success! People who claim to never eat cake came up to us to remark about how delicious and beautiful your cake was. A neighbor and dear friend of the ours walked out with a piece of cake on a rented plate. This is a great sign! It was certainly the finest carrot cake I've ever eaten--and I consider myself something of a connoisseur. We are going to forward your information to the inn where the wedding was. They may be interested in widening their circle of bakers.

Thanks again for contributing to a wonderful weekend.

We could never thank you enough for our beautiful wedding cake. You went above and beyond to exceed our expectations. It was obvious that it was constructed with much care. Our guests spent a lot of time just staring at it! Even better yet, it was the most delicious wedding cake ever! It was so moist and flavorful. My friends and family are still commenting on how wonderful it was! Thank you so much!
